Vinyl Fence Systems

From our Shoreline to Yours!

SHORELINE VINYL SYSTEMS

Shoreline Vinyl Systems, Inc. is a family owned and operated Vinyl and Aluminum Fencing and Railing Fabrication company located in the Mid-Atlantic region. As a family of construction industry professionals, we consider quality service and customer satisfaction our top priority. We specialize in the Design and Fabrication of quality Vinyl and Aluminum products that are built to last.

We offer a broad selection of Fence Styles. Although all of our Fencing Parts are pre-cut to standard lengths, we can custom cut to your specifications, providing not only a great fit, but a quality appearance as well.

For your unique Fence project, you can rest assured that we will work closely with your authorized Shoreline Vinyl Systems dealer or contractor as a team to deliver the best quality Fencing products in a timely manner for you to enjoy for a lifetime;

From our Shoreline to Yours.

FIND INSPIRATION ON:

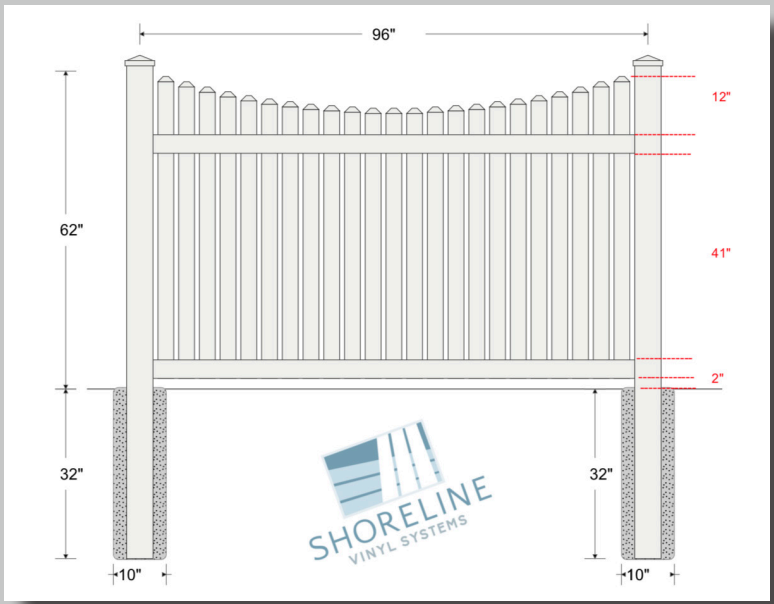
STANDARD COLORS

Two Tone Almond Carroll

White | Almond | Khaki

- Actual colors may vary. Color samples are available.
- Check specification graphs for available Colors for each Style
- These are the standard Shoreline Colors, Wood Grain Color options can be viewed on pages 37-38

SPECIFICATIONS & MAINTENANCE



NOTE: DESIGN DRAWINGS SUPERSEDE PHOTOS

Looking for a specification sheet to submit? Shoreline supplies spec drawings for all of their Vinyl Fence Systems.

The Standard design of each Fence Style described within this brochure is represented by a Black-and-White drawing of that Style. Since Shoreline Vinyl Systems handcrafts each Fence to-order; personal preferences, option choices, and desires to be unique result in Fence photos that differ from the drawings.

Eliminate unsightly Brackets with our Routed System

Notched Rails fit into Routed Posts for a clean look. Pickets are notched to be secured into Rails.

MAINTENANCE

Shoreline Vinyl prides itself with offering quality products that require very low maintenance. Since our products are Manufactured to be in the outdoors, it is expected that they will be exposed to the elements that may require simple up-keep from time to time.

Recommendations:

- Spraying Vinyl with a garden hose will help remove basic dirt & grime
- An annual power-wash for large or stubborn stains, or to remove algae, mold, or mildew as needed
- Using a mild soap or multipurpose (degreaser) cleaner with a soft microfiber rag can also clean small areas
- Always dilute cleaners or vinegars with water before use
- Foam eraser & water can help remove scuffs
- Avoid using paper towels or hard bristle brushes
- Do not use hard chemicals such as bleach, acetone, or detergents unless otherwise advised to remove graffiti
- When weed whacking around the Vinyl, make sure to only use a nylon wire

Shoreline Vinyl is a lifetime investment. It will never need to be sanded, stained, or painted. It won't splinter, rot, crack, or peel.

Customers should always ask a reliable Fence Professional if they are unsure on how to maintain their Fence. Warranty's will be voided if the Fence is damaged due to improper maintenance.

We stand behind our industry leading limited lifetime warranty. Customers have 10 days to Register their Fence after it is installed. See our warranty information page on our website www.shorelinevinyl.com or ask a sales representative for a registration card.

Custom Requests

Shoreline takes pride in going the extra mile with any custom requests. Just because an option is not listed, does not mean it is not possible!

Custom Whetstone with Aluminum Balusters

Custom Routed Transition Posts

Shoreline can Route Transition / Stepped Posts to avoid having to tie in with Brackets.

Two Tone Khaki Caroline

Custom Bends

Add a custom Bent Section to your Fence for a different look OR to bring two different Heights of Fence together!

Custom Caroline with S-Bend

Two-Toned Options

Use your creativity to mix available styles and colors for a custom and unique look!

Two Tone Almond Caroline

Standard Rackability

Installing on a grade? Most of our Fence Styles have standard Rackability built into them, or can be made to meet desired slopes.

Any Brace should be installed from Hinge side diagonally up toward Latch

VINYL / ALUMINUM OPTIONS

INTRODUCING our new Aluminum Framed Gates. Custom Fabricated & Welded Aluminum Frames are made out of 2x2 (.250 Wall) Top & Bottom Aluminum Rails, & 2x4 (.125 Wall) Aluminum Uprights. All Frames are Powder Coated to meet AAMA 2604 Standards, to Color match the Shoreline Vinyl Infill Pickets.

Khaki Privacy Gate
7' High x 6' Wide (12' Double)

Privacy Gate
6' High x 6' Wide (12' Double)

coastal aluminum FENCE

Our sister company, Coastal Aluminum Manufacturing is located in Laurinburg, NC. We Manufacture and Powder Coat our own Aluminum Fence in our facility. This provides our customers with fast and reliable Aluminum options, and allows us to be creative when it comes to designing customer specific Fence and Gate styles.

STANDARD VINYL COLORS

White | Almond | Khaki

Aluminum Posts will be painted to match the Vinyl Infill

These options are also available in our Sandalwood Collection
(See pages 37-38 for more information)

NOTE: Actual Colors may vary. Color samples are available.

Custom sizes are available up to 12' Wide Single or 24' Wide Double

Gates require a Middle Rail over 6' High

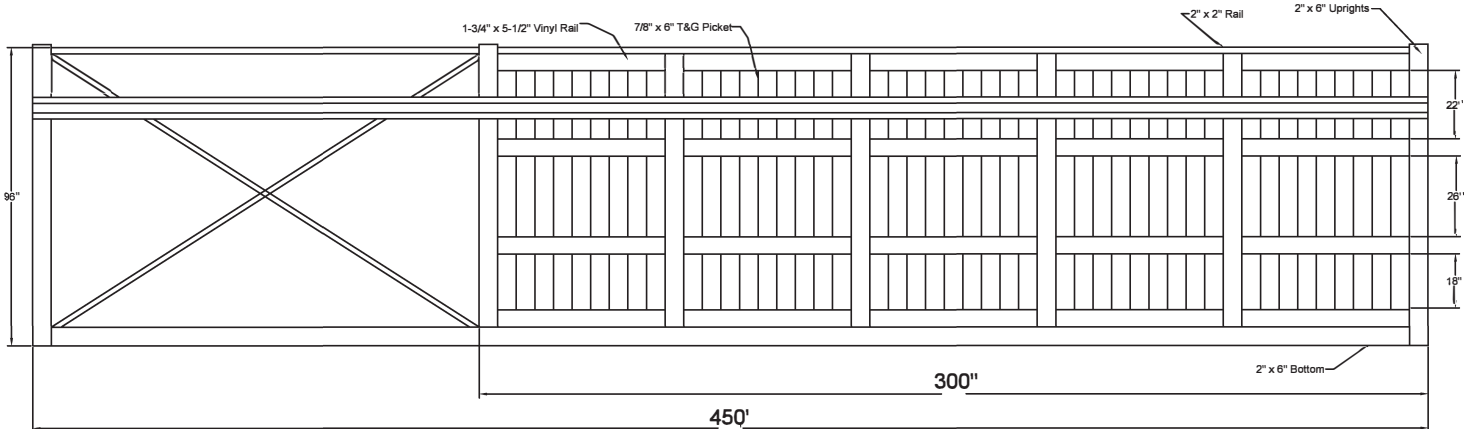
Gates that are 8'-12' Wide will require a Center Post (2 x 4)

Heavy Wall Aluminum Posts
4" x 4"
6" x 6"
8" x 8"
(Recommend at least 3' of Post in the ground)

Spec Drawings available for all Styles

CANTILEVER Privacy Vinyl / Aluminum Frame Gates are Fabricated to meet your Custom Specifications. They are Manufactured with a Strong Welded Aluminum Frame, & Vinyl Tongue & Groove pickets.

Example Specification Sheet for Custom Cantilever Slide Gate



Cantilever Gates are Designed to meet up to a max opening of 26' with the total Gate Width being 39' including the Cantilever.

Spec Drawings available for all Styles
